

AMENDMENTS TO THE ABSTRACT

Please substitute the following paragraph in the abstract now appearing in the currently filed specification:

On page 32, replace the paragraph beginning at line 6 with the following paragraph.

ne
CP

The polyester film roll is a polyester film roll in which a polyester film is rolled on a core, characterized in that the difference R (m) between the maximum value and the minimum value is not more than $2W \times 10^{-3}$ and not more than $L \times 10^{-7}$, when the diameters of said roll are measured in the width direction of the roll, (therein, W is the width (m) of the film roll, and L is the ~~rolled~~ length (m) of the rolled film ~~roll~~), or
